this book analyses the politics of the humanitarian disarmament community a loose coalition of activist and advocacy groups humanitarian agencies and diplomats who have successfully achieved international treaties banning landmines cluster munitions and nuclear weapons as well as restricting the global arms trade two campaigns have won nobel peace prizes disarmament has long been a dirty word in the international relations lexicon but the success of the humanitarian disarmament agenda shows that people often choose to prohibit or limit certain violent technologies for reasons of security honour ethics or humanitarianism this edited volume showcases interdisciplinary research by scholars and practitioners seeking to understand the dynamics and impact of the new global activism on weapons while some raise concerns that humanitarian disarmament may be piecemeal and depoliticizing others see opportunities to breathe new life into moribund arms control policymaking foreword by 1997 nobel peace prize laureate jody williams

the most up to date and thorough compendium of scholarship on social movements this second edition of the wiley blackwell companion to social movements features forty original essays from the field with contributions from both established and ascendant scholars the companion seeks to present current research on social movements in all its diversity it is the most up to date comprehensive volume of social science research on social movements available today the essays address facilitative and constraining contexts and conditions social movement organizations fields and dynamics strategies and tactics micro structural and social psychological dimensions of participation consequences and outcomes and various thematic intersections including the intersection of social movements and social class gender race and ethnicity religion human rights globalization political extremism and more offers an illuminating guide to understanding the dynamics and operation of social movements within the modern global world covers a diverse range of topics in the field of social movement studies offers original state of the art essays by internationally recognized scholars the wiley blackwell companion to social movements is recommended for graduate seminars on social movement and for scholars of social movements worldwide it is also an excellent text for college and university libraries especially with graduate programs in the social sciences

discerning the early stages of the rebirth of a new russian empire from the ashes of the soviet union vladimir putin and russia s imperial revival argues that russia s recent overtly aggressive actions and foreign policy doctrines have signaled a renewal of the cold war at the least russia s actions represent the potential for renewal this book explains these developments in a historical context the book begins by describing russia s initial policy of rapprochement after the collapse of the soviet union and its development into a foreign policy of threatened or actual armed aggression it identifies today s russia as a nation determined to re establish itself as a political and military force as a prominent figure in the development and continuation of its current foreign policy vladimir putin plays a central role in the topics covered previous literature often treats putin as an individual phenomenon examining his connections to corruption or the secret police but here david e mcnabb examines him as the latest in a long history of russian despots who followed similar expansionist policies he details some of the tactics putin uses to instill fear and dominate political policies of republics newly independent from russia these tactics include the use of energy as a weapon cyber terrorism and military support for ethnic russian separatists in other sovereign nations most recently exemplified by russia s annexation of crimea from ukraine via armed invasion in an attempt to demystify russia s re emergence as an international political force vladimir putin and russia s imperial revival grounds its analyses in history it explores as far back as the establishment of the first russian empire and regards putin as a leader determined to establish a fifth imperial incarnation it provides a nuanced understanding of how russia arrived at its current position through recent and distant internal and international events

discerning the early stages of the rebirth of a new russian empire from the ashes of the soviet union vladimir putin and russia s imperial revival argues that russia s recent overtly aggressive actions and foreign policy doctrines have signaled a renewal of the cold war at the least russia s actions represent the potential for renewal this book explains these developments in a historical context the book begins by describing russia s initial policy of rapprochement after the collapse of the soviet union and its development into a foreign policy of threatened or actual armed aggression it identifies today s russia as a nation determined to re establish itself as a political and military force as a prominent figure in the development and continuation of its current foreign policy vladimir putin plays a central role in the topics

covered previous literature often treats putin as an individual phenomenon examining his connections to corruption or the secret police but here david e mcnabb examines him as the latest in a long history of russian despots who followed similar expansionist policies he details some of the tactics putin uses to instill fear and dominate political policies of republics newly independent from russia these tactics include the use of energy as a weapon cyber terrorism and military support for ethnic russian separatists in other sovereign nations most recently exemplified by russia s annexation of crimea from ukraine via armed invasion in an attempt to demystify russia s re emergence as an international political force vladimir putin and russia s imperial revival grounds its analyses in history it explores as far back as the establishment of the first russian empire and regards putin as a leader determined to establish a fifth imperial incarnation it provides a nuanced understanding of how russia arrived at its current position through recent and distant internal and international events

a risk conundrum can be viewed as a risk that poses major issues in assessment and whose management is not easily engaged such perplexing problems can either paralyze or badly delay risk analysis and directions for progression rather than simply focusing on the progress in risk analysis that has already been made it is crucial to consider what has been learnt about these seemingly unmanageable problems and how best to move forward risk conundrums seeks to answer this question by bringing together a range of key thinkers in the field to explore key issues such as risk communication uncertainty social trust indicators and metrics and risk management drawing upon case study examples including natural disasters terrorism and energy transitions the initial chapters address risk conundrums their properties and the challenges they pose the book then turns to a greater emphasis on systemic and regional risk conundrums finally it considers how risk management can be changed to address these unsolvable conundrums alternative pathways are defined and scrutinized and predictions for future developments set out this book will be of great interest to students and scholars of risk governance environmental policy and sustainable development

segregated origins of social security african americans and the welfare state

shifting the color line explores the historical and political roots of racial conflict in american welfare policy beginning

with the new deal robert lieberman demonstrates how racial distinctions were built into the very structure of the american welfare state

this art book is the first catalogue published in english of 19th and 20th century hungarian paintings drawings and prints by the leading hungarian artists of that period as the history of hungarian art unfolds the revolutionary cultural and political history of the country itself is opened to the viewer nicholas salgo the leading american collector whose appreciation of the arts of his native land has been with him since childhood began seriously to acquire works of hungarian painters during his tenure as ambassador of the united states in budapest
