he possessed neither wealth nor worldly influence his relatives were inconspicuous and had neither training nor formal education he died and yet lives he is fully divine and fully man his divinity touches the father in heaven whiles his humanity touches our infirmities he lived a sinless live in this sinful world he is the greatest man this world has ever known this book will introduce you to this young man called jesus christ of nazareth who was only 33 years on earth yet changed the history of this world who is this jesus to you personally how do you perceive him is he a teacher a prophet a messenger or a saviour this book in your hand may startle you about this jesus it will unveil and unearth everything you should know about this greatest gift heaven has sent to mankind by the time you finish reading this book you will understand why jesus name is above every name and that by the mentioning of his name every creature in heaven on earth and under the earth must bow and worship him and why no one can say that jesus is lord except by the holy spirit 1 corinthians 12 3 this book will also enlighten you to appreciate why you should take him as your lord and personal saviour god bless you

jesus parables they are widely known or at least often referenced but does that mean they are well understood having slipped into the lingua franca of our day we could be missing some of what he was communicating if familiarity breeds contempt perhaps our sense that we know these stories insulates us from what jesus was saying about life with god if jesus intended his parables to be much more than helpful illustrations or memorable word pictures we might need to hear them in a fresh way we could be overlooking what is essential if we read his parables simply as clever stories like a chef who seasons the meal in such a

way that the distinctive flavors of each element is enhanced brian invites the reader into an invigorating and fresh taste of what jesus says in his parables reading each parable attentive to jesus own words and the context in which these stories are found you ll hear the voice of the savior in renewed ways no longer will you think of his parables as clever stories but you ll find them to be life giving words from jesus

vols 13 62 include abridged annual reports and proceedings of the annual meetings of the american missionary association 1869 1908 v 38 62 include abridged annual reports of the society s executive committee 1883 84 1907 1908

this book makes an important indeed a groundbreaking contribution to markan studies not only does it address a lacuna in these studies but it does so by means of an innovative methodology that permits a satisfying integration of the jewish background of mark s gospel with its greco roman background while retaining a sensitivity to the literary dimensions of the text as well as an interest in its reader robbins has accomplished a remarkable feat markan studies are certain to benefit greatly from this work jouette m bassler journal of biblical literature robbins proposes a challenging alternative to current approaches to the study of mark by demonstrating that its literary qualities are inseparable from ancient social conventions in which greco roman traditions are no less relevant than those of the old testament and early judaism this book is a major contribution to markan scholarship as well as an incisive critique of some of the self imposed limitations of contemporary new testament research david e aune university of notre dame in this important contribution of markan studies robbins demonstrates that contemporary approaches to the new testament can lead to genuinely new and fruitful insights richard i pervo anglican theological review this volume breaks new ground in markan study in the areas of historical background genre structure plot and theology it contains more fresh ideas than most books of its size daniel j harrington s j catholic biblical quarterly vernon k robbins is professor of new testament and comparative sacred texts in the department and graduate division of religion at emory university in atlanta he was appointed winship distinguished research professor in the humanities in 2001 among his many books are the tapestry of early christian discourse and exploring the texture of texts
