systematic theology is the capstone of robert jenson s long and distinguished career as a theologian being a full scale systematic dogmatic theology in the classic format this is the second and concluding volume of the work here jenson considers the works of god examining such topics as the nature and role of the church and god s works of creation

volume 2 of pannenberg s magnum opus moves beyond the highly touted discussion of systematic prolegomena and theology proper in volume 1 to commanding comprehensive statements concerning creation the nature of man christology and salvation throughout pannenberg brings to bear the vast command of historical and exegetical knowledge and philosophical argumentation for which he is well known

in pannenberg s seminal work the christian doctrine of god is discussed using exegetical analysis across a number of disciplines truth the nature of revelation the language used to discuss god the trinity and theology in the public sphere are topics for debate

the second volume of the eminent christian philosopher s magnum opus in which he explores humanity s quest for christ paul tillich s systemic philosophy is the most comprehensive and definitive presentation of his groundbreaking theological message his method of correlation which finds the answers to humanity s most urgent existential dilemmas in the principles of christian revelation in volume two of this three volume work tillich comes to grips with the central idea of his system the doctrine of the christ here tillich describes the human predicament as the state of estrangement from ourselves from our world and from the divine ground of being this situation drives us to the quest for a new state of things in which reconciliation and reunion conquer estrangement this is the quest for the christ

stephen wellum s systematic theology volume one is a trinitarian reformational and baptistic systematic theology committed to serious evangelical engagement with the scriptures building on decades of research wellum formulates doctrine exegetically covenantally and canonically for a new generation of students pastors church leaders and seasoned theologians as well

the opening book in this three volume set it focuses exclusively on the person of god within the grounds of this work are the person of god the authority of scripture and the works of god in our world these topics are becoming more relevant today as people are constantly questioning the person of the father

the triune god together with the forthcoming second volume the works of god develops a compendious statement of christian theology in the tradition of a medieval summa or of such modern works as those of schleiermacher and barth theology as it is understood here is the christian church s continuing discourse concerning her specific communal purpose it is the hermeneutic and critical reflection internal to the church s task of speaking the gospel to the world as message and to god in petition and praise this volume and its successor are thus dedicated to the service of the one church of the creeds it is for no particular denomination or confession the interlocutors of this work s

analyses and proposals are drawn from wherever in the ecumenical tradition a question may lead to theologians and traditions ancient medieval or modern eastern or western catholic or protestant

rivals the major systematic theologies of this century baptist history and heritage journal july 1996 one of the characteristics of garrett s system that needs especially to be noted is its balanced judicious and nearly invariably objective presentation of materials while holding true to the teachings of his own baptist faith garrett so carefully and judiciously presents alternatives that teachers and students from other confessional and denominational positions will find his work instructive consensus 1997 if one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology there is no more complete presentation in a relatively short work than this pastors will especially find this feature to be a real help in teaching theology it is an indispensable contribution to the task of systematic theology journal of the evangelical theological society september 1999 many students and pastors will find all they need here and will in addition be helped to relate their knowledge to recent developments in the theological world the churchman a journal of anglican theology 1991 a gold mine of helpful material the christian century may 29 june 5 1991 no book that i know is more loaded with biblical and theological facts than this one the prodigious research that must have gone into the preparation of this volume is truly mind boggling faith and mission fall 1991 garrett has provided a massive and scholarly systematic theology from a thoroughly conservative and comprehensive viewpoint the work is well documented in both biblical and historical scholarship and will prove to be a classic william hendrickson southern baptist theological seminary one of the most comprehensive concise books of its type available it should receive wide use in the classroom and in the study robert h culpepper southern baptist theological seminary

this systematic theology begins from the treatise de deo uno and develops the dogma of the trinity as an expression of divine unicity on which will depend creation christology and ecclesiology the invisible god must be seen and known in the visible in this way god and god s relation to creation are distinguished but not separated from christology the doctrine of perfections from redemption in the end the transcendent beauty who is god can be known only in worship and praise

katherine sonderegger follows her monumental volume on the doctrine of god with this second entry of her systematic theology which explores the doctrine of the holy trinity locating her analysis first in the hebrew scriptures sonderegger examines the thrice holy god that is proclaimed to isaiah in the sanctuary and manifested in the sacrifice of the temple the book of leviticus read in conversation with exodus unfolds the doctrine of the trinity under the character of holiness in the one god trinity speaks of the life movement and self offering of god who is the eternal procession of goodness and light in israel s sacrificial covenant the triune god is perfect self offering the eternal descent of

the father of lights is the offering who is son eternally received and hallowed in the one who is spirit anchoring the theology of the trinity in israel s scriptures in this way elevates the processions over the persons exploring the mystery of the divine life as holy rational and good the divine persons named in the new testament cannot be defined but may be glimpsed in the notion of perfection a complete and perfect infinite set in all these ways the holy trinity may be praised as the deep reality of the life of god

this volume begins with an extended discussion of jenson s methodology and addresses questions on the nature of the christian god including the classic christological and trinitarian questions

in this volume the third and last of his systematic theology paul tillich sets forth his ideas of the meaning of human life the doctrine of the spirit and the church the trinitarian symbols the relation of history to the kingdom of god and the eschatological symbols he handles this subject matter with powerful conceptual ability and intellectual grace the problem of life is ambiguity every process of life has its contrast within itself thus driving man to the quest for unambiguous life or life under the impact of the spiritual presence the spiritual presence conquers the negativities of religion culture and morality and the symbols anticipating eternal life present the answer to the problem of life

the church needs good theology that engages the head heart and hands this four volume work combines rigorous historical and theological scholarship with application and practicality characterized by an accessible reformed and experiential approach in this volume joel r beeke and paul m smalley explore the first two of eight central themes of theology revelation and god

emphasizing the beliefs common to all branches of christendom rather than the issues that divide thomas oden brings the full weight of two millennia of discussion to bear on the ever contemporary questions of christian faith his magisterial study not only treats the traditional elements of systematic theology referencing hundreds of theologians protestant catholic orthodox charismatic but also highlights the foundational exegetes of history broadly ecumenical in the truest sense of the word and written from the perspective of a theological liberal turned evangelical oden s direct frank and provocative approach articulates the concerns of a broad spectrum of christians pastors teachers seminarians and thoughtful laity though comprehensive in scope the set is arranged in a trinitarian fashion with each volume focusing on one person of the godhead the first volume explores the christian understanding of god creation and providence the second volume discusses christ and the incarnation the third volume considers the presence of the holy spirit in history and his power in the lives and communities of present day believers volume 1 the living god isbn 9781598560374 volume 2 the word of life isbn 9781598560381 volume 3 life in the spirit isbn 9781598560398 these volumes may be purchased separately demonstrates a commitment of faithfulness to the scriptural teachings

concerning jesus and a rich appreciation for the classical and conciliar traditions of christology preaching oden s project is anti trendiness with a vengeance refreshingly bold first things the most impressive systematic exercise in ecumenical consensual thinking in print religious studies review a welcome addition to the pastor s bookshelf and a needed voice in the contemporary theological conversation interpretation

this is the first part of paul tillich s three volume systematic theology one of the most profound statements of the christian message ever composed and the summation and definitive presentation of the theology of the most influential and creative american theologian of the twentieth century in this path breaking volume tillich presents the basic method and statement of his system his famous correlation of man s deepest questions with theological answers here the focus is on the concepts of being and reason tillich shows how the quest for revelation is integral to reason itself in the same way a description of the inner tensions of being leads to the recognition that the quest for god is implied in finite being here also tillich defines his thought in relation to philosophy and the bible and sets forth his famous doctrine of god as the ground of being thus god is understood not as a being existing beside other beings but as being itself or the power of being in everything god cannot be made into an object religious knowledge is therefore necessarily symbolic
