in no part of the world today is the concept of intercultural exchange a novelty and in many parts of the world it has even been a long tradition nevertheless recent globalization forces have combined to accelerate many aspects of migration and intercultural confrontation as a result we see an emerging world society in which intercultural mixing and conflict are salient characteristics rather than being exceptional situations or embryonic phases of societal development the need for intercultural education and for intercultural dialogue in various forms has become universal all people have an obligation to participate in and take responsibility for world peace balanced sustainable development and democratic dialogue to create the capacity to live together persistent and increasingly complex patterns of population movement with all of the societal ramifications that accompany them demand consideration of ways in which different societies respond to issues of intercultural education and dialogue both historically and currently interculturalism society and education contains contributions that explore comparative and international case studies ranging from accounts of educational problems impacting specific immigrant groups in europe socio educational programs and projects in africa and asia comparative analyses of citizenship education issues in selected countries and a global overview of different patterns of the interculturalism society education nexus this volume offers a sampling of the multiplicity of intercultural forms around the world useful for policy makers and educators across the spectrum of institutions and

organizations that strive to open paths for positive intercultural exchange through education

the debate over immigration has been a hallmark of the american nation since its earliest days and it persists in generating a complex spectrum of opinions and emotions united states immigration 1800 1965 provides a compact yet diverse selection of primary documents that helps to illuminate immigration as one of the defining features of the american social cultural and political landscape a wide array of primary sources is included documents written by immigrants that chronicle their own experiences examples of pro and anti immigration sentiments and arguments and government documents including immigration laws and federal court rulings in all 75 documents including 20 images help to tell the story of united states immigration from roughly 1800 through to the hart celler act of 1965

while many practicing christians are relatively satisfied with their prayer life others are not the latter often find their prayer practice has dried up their traditional forms of prayer at churches have become routine and empty in a very real sense there is a void in their spiritual lives they want a deeper union with god yet experience an unsettling estrangement with their current pathway in prayer in contemplative prayer at work in our lives geoff colvin draws on his own experiences studies of spiritual literature and participation in retreats and meditation groups to unravel the challenging practice of contemplative prayer a unique form of meditation involving very few words in silence and stillness contemplative prayer centers on the fundamental belief that god dwells not only in the world at large but also at the center of our being this book offers christians an approach for understanding contemplative prayer followed by hands on detail for developing and sustaining a practice that hopefully leads to a richer and fuller spiritual journey to union with god

the political situation in ireland at the beginning of the 20th century was characterised by crisis and change armed rebellion against the british crown the prosecution of the anglo irish war the emergence of the irish free state and the eruption of the civil war over the treaty with great britain ensured that the birth of the modern irish nation was bloody and difficult this book details the life of an average volunteer and includes the experiences of internment the lack of established medical facilities for wounded life on the run discipline and typical duties
