the first of the sherlock holmes stories this was also the first of conan doyle s books to be published in this fascinating and exciting tale the two towering creations of detective fiction holmes the master of the science of detection and watson his faithful companion make their auspicious debut the two detectives are immediately in fine form as holmes plucks the solution to the mystery from the heart of victorian london

physical education teaching and learning efforts obviously target the student like parents teachers administrators and any other directly or indirectly involved parties students do have opinions based on their experience on their respective physical e

a study in scarlet is an 1887 detective novel by scottish author arthur conan doyle written in 1886 the story marks the first appearance of sherlock holmes and dr watson who would become the most famous detective duo in popular fiction the book s title derives from a speech given by holmes a consulting detective to his friend and chronicler watson on the nature of his work in which he describes the story s murder investigation as his study in scarlet there s the scarlet thread of murder running through the colourless skein of life and our duty is to unravel it and isolate it and expose every inch of it

a study in scarlet is a detective mystery novel written sir arthur conan doyle which was first published in 1887 it is the first story to feature the character of sherlock holmes who would later become

a study in scarlet is an 1887 detective novel by scottish author arthur conan doyle written in 1886 the story marks the first appearance of sherlock holmes and dr watson who would become the most famous detective duo in popular fiction the book s title derives from a speech given by holmes a consulting detective to his friend and chronicler watson on the nature of his work in which he describes the story s murder investigation as his study in scarlet there s the scarlet thread of murder running through the colourless skein of life and our duty is to unravel it and isolate it and expose every inch of it

a study in scarlet

doyle s first published story involving the legendary sherlock holmes arguably the world s best known detective and the first narrative by holmes s boswell the unassuming dr watson a military surgeon lately returned from the afghan war watson needs a flat mate and a diversion holmes needs a foil and thus a great literary collaboration begins watson and holmes move to a now famous address 221b baker street where watson is introduced to holmes s eccentricities as well as his uncanny ability to deduce information about his fellow beings somewhat shaken by holmes s egotism watson is nonetheless dazzled by his seemingly magical ability to provide detailed information about a man glimpsed once under the streetlamp across the road then murder facing a deserted house a twisted corpse with no wounds a mysterious phrase drawn in blood on the wall and the buffoons of scotland yard lestrade and gregson holmes measures observes picks up a pinch of this and a pinch of that and generally baffles his faithful watson later holmes explains in solving a problem of this sort the grand thing is to be able to reason backward there are few people who if you told them a

result would be able to evolve from their own inner consciousness what the steps were which led up to that result holmes is in that elite group conan doyle quickly learned that it was holmes s deductions that were of most interest to his readers the lengthy flashback while a convention of popular fiction simply distracted from readers real focus it is when holmes and watson gather before the coal fire and holmes sums up the deductions that led him to the successful apprehension of the criminal that we are most captivated

a study in scarlet is a detective mystery novel written by sir arthur conan doyle which was first published in 1887 it is the first story to feature the character of sherlock holmes who would later become one of the most famous and iconic literary detective characters with long lasting interest and appeal the book s title derives from a speech given by holmes to his companion doctor watson on the nature of his work in which he describes the story s murder investigation as his study in scarlet there s the scarlet thread of murder running through the colourless skein of life and our duty is to unravel it and isolate it and expose every inch of it
